WORK EXPERIENCE

Buckhead Wealth Management (*buckheadwealth.com*)
Brand Strategy & Presentation Design Consultant

Atlanta, GA
Jan 2025 - Present

- Developed 8 client-facing presentations in PowerPoint and Figma that translated complex information, service offerings, and business narratives into clear, engaging, and polished visual materials.
- Built branded systems and templates that improved consistency, strengthened storytelling, and reduced deck creation time.
- Refined content hierarchy, page structure, and message flow to strengthen communication and make key ideas clearer.
- Applied visual storytelling and design thinking to elevate business materials, supporting 3 client wins in high-stakes setting.

Avlete (*avlete.com*)
Brand Strategist

Atlanta, GA
Aug 2024 – Aug 2025

- Built a customer journey across channels to shape how consumers connect with the brand, informed by social, trend, and competitor research.
- Synthesized competitor analysis, market research, consumer insight, and trend research into strategic recommendations that sharpened positioning, identified whitespace, and guided decisions across messaging, audience targeting, customer experience, and growth.
- Developed strategy decks and brand documents in Adobe Creative Suite to translate research into direction across brand touchpoints.
- Strengthened decision-making through brand thinking and concept development, contributing to an 18% increase in sales.

Not A Hamster Strategy
Marketing Assistant

Mumbai, India
Jun 2024 – Sep 2024

- Supported 7 client projects across content, design, and research, delivering clear, cohesive, and strategically aligned brand materials.
- Partnered closely with the founders to organize research, shape positioning, and bring stronger structure to fast-moving creative work.
- Created 20+ brand and content assets in Adobe Illustrator, Photoshop, and Google Slides, improving consistency across deliverables.
- Streamlined content development and coordination, contributing to a 15% faster turnaround on marketing deliverables.

SELECTED PROJECTS

ChefATL | TV Production (*pbs.org/show/chefatl*)
Social Content Lead

Atlanta, GA
Mar 2024 – Nov 2024

- Led a 7-person content team across on-ground capture, aligning storytelling, visual direction, and episode flow.
- Managed content planning and location checks across 14 shoots for Instagram, X, and YouTube, improving production readiness and workflow.
- Directed visual framing, content capture, and collaboration to maintain consistency in storytelling across digital channels.
- Improved cross-platform content output efficiency through stronger structure, coordination, and production planning.

Vidhā
Luxury Brand Management

Thesis
Sep 2025 – Mar 2026

- Developed a contemporary fine jewelry brand for a younger luxury consumer across identity, product, packaging, launch, and experience.
- Translated consumer research, interviews, and market analysis into a clear brand position, concept direction, and visual storytelling system.
- Built mood boards, visual systems, and launch materials in Figma, InDesign, and Illustrator to connect research insight to execution.
- Positioned the concept through luxury strategy, storytelling, and brand development, grounded in trend research and visual systems thinking.

SONIC
Advertising and Branding

Silver ADDY Award
2024

- Developed a SONIC campaign rooted in retro nostalgia, using Atlanta's Starlight Drive-In Theater as a culturally relevant lens for concept development, brand storytelling, and a locally resonant campaign narrative.
- Contributed to brand strategy, photography, and visual storytelling execution, using creative direction, audience insight, and cultural context to build a campaign world that felt distinctive, strategic, and memorable.
- Applied Adobe Photoshop, Lightroom, and Illustrator to shape campaign visuals and strengthen concept, typography, and communication.
